

Business Partner – Banner Program

Get Excited! This is the 1st year that Longleaf Elementary will be offering Car Loop Banners for Business Partners. The banner will be 3' x 5' and will hang in a prominent position in our car loop thru the 2016-2017 school year. On a daily average, we have 400 vehicles in the carline and your banner will receive undivided attention as families await dismissal/arrival of the children. This is a great opportunity to advertise your business and support the school.

Details of Banner Program

Banners are \$300 per year (includes printing of banner) and it will hang until June 2017. If you sign up now, your banner will be one of the first up in the car loop and will hang thru the remainder of this school year and through the 2016-2017 school year. So over a year of exposure!
